Dear Sisters and Brothers,
Bishop Schnase and the cabinet have asked me to take an appointment as pastor of St. Luke United Methodist Church in Austin. After much thought and prayer I have accepted this position. I am truly grateful for all of your love and help in this unprecedented time. It was a year like no other. I have learned so much from my time here and Cuero will always remain in my memories. I look forward to the work that we have ahead of us. Blessings and peace to all.

Sincerely,

Pastor Jackie Freeman
