Renewed in Mercy

The Lenten journey may seem overly familiar. Indeed, we have been here before. There is comfort in the familiar. Many of the rituals and practices of this season are comfortable. They give us a sense of place, like being home again. This can be a good starting place for the season, an invitation to walk the paths we have walked before. We encourage the community to gather once again. Yet, the Lenten journey and our discipleship path encourage us to grow, to go deeper, to climb higher, to reach further than we may have before. Lent is a time of introspection, but also a call to action as we seek to be the pilgrim people of God, seeking God's kingdom and shaping God's kingdom in worship and in service. This Lent, we invite you to experience the renewal that comes from God's never-ending mercy and then to walk with our Lord on a journey to new life.
